NEED TO RETURN? NOT A PROBLEM!

If any item purchased from VidaBox doesn't meet your expectations, send the unused item back to us + this form within 30 days of purchase! Opened items are OK - as long as they are undamaged / not installed. (Damaged/Abused items may be rejected)

We'll provide store credit, or issue a full refund of the original purchase price, minus shipping charges, via the same payment method originally used.

Please return the item(s) in their original box / packaging w. all tags included. If the original box / packaging isn't available - wrap all parts in plastic Saran wrap or place into a clean plastic bag (to prevent scratching), then pack with bubble wrap / peanuts inside a cardboard box to ensure it won't be damaged in transit.
